

Leavers' Destinations

Our absolute priority is to find the right school for each child, ensuring that they continue to thrive in their senior school destination in an environment most suited to their individual profile.

This year, once again, we are delighted to be celebrating a fabulous array of results, with a plethora of senior school offers and an impressive number of scholarships.

We are especially delighted that our predictions for the children's 11+ offers, made on their arrival in Year 6, reached an incredible accuracy rate of 93%. Moreover, of the remaining 7%, 80% exceeded expectation following the highly personalised 11+ preparation we offer in the Autumn Term.
