

Friendships and relationships through the lens of Netflix's 'Adolescence' with Alicia Drummond, Therapist and Founder of The Wellbeing Hub

Wednesday 30th April 2025 - 7pm

Dukes parents are invited to attend this free webinar. Content covered is most suitable to parents of children in Year 6 and above.

The recent drama Adolescence has raised important and timely questions about the complexities of teenage relationships. In response, and as part of our commitment to supporting families in navigating these conversations at home, we're delighted to welcome Alicia Drummond from the Wellbeing Hub for a parent talk.

Drawing on themes from the drama, the session will explore topics such as healthy and unhealthy relationships, consent, sexuality, misogyny, and online influences.

We hope you'll join us for what promises to be a thoughtful and constructive conversation.
